Sir,.

I have the honor to state that Government have in their Proceedings No. 5119-21/Medl. 102-09-2 dated 14-12-09, sanctioned the establishment of an indegenous Hospital at Davanagere with a Native Pandit on Rs 15/- per mensem.

It is very desirable that some allowance should be given on account of contingencies so that the necessary articles required for preparing medicines may be purchased. The services of a peon are also inevitable to prepare medicines and to watch the things of the Vydyasala.

The Municipal Council considering the necessity of these wants resolved in the meeting held on 10-2-10 that the marginally noted establishment and contingency One peon on Rs 6 per mensem. monthly contingencies Rs 5/- should be given to the Vydyasala with effect from 1st February 1910. The Council was directed to report the date from which the above establishment would be entertained. On further consideration, they have resolved that the peon may be entertained and contingency given from 1st July 1910. Copies of the Resolutions passed by the Council are herewith submitted.

I therefore solicit that Government may be pleased to accord sanction to the entertainment of the peon and the grant of contingency as proposed by the Council with effect from 1-7-1910,
